THE EXPERIENCE
OF LUXURY & ART

The

EXCLUSIVE EXHIBITION

To celebrate the first exhibition of USIA in London, we have arranged an exclusive exhibition of contemporary fine art in one of the most prestigious hotels in central London, the Bulgari Hotel & Residences.

You and a select few guests have now the chance to see a diverse and selective array of special works of art from around the world.

In this exhibition USIA represents works of 36 artists. Most of them have earned several international awards, as their works were present in prestigious art fairs and international auction houses.

Enjoy!
